East Haven Youth Service
Teen Impact Alliance
"TIA"

East Haven Youth Services has created an alliance for children in grades 9th through 12th. This alliance is about turning passion into purpose, empowering teens to give back through community service projects, local events, and leadership opportunities-proving that every teen can make a real difference.

If you are a teen interested in joining "TIA", please register at easthavenrecreation.org. Click on memberships. There will be bi-monthly meetings to discuss community service opportunities, assisting with events and putting your own ideas into fruition.

If you cannot make bi-monthly meetings, emails will also be sent out with opportunities for teens to become involved. Please reach out to Andrea Kenney at akenney@easthaven-ct.gov with any questions.
